

## **Terms of Use: Digital Lens Fitting Guide**

**Last Updated:** 29 October 2025

Please read these Terms of Use ("Terms") carefully before using the "Digital Lens Fitting Guide" ("Guide") provided by Clarity Vision Solutions ("we," "us," or "our").

By downloading, accessing, or using this Guide, you agree to be bound by these Terms. If you do not agree to these Terms, do not use this Guide.

### **1. For Informational Purposes Only**

This Guide provides at-home, informational methods to help you *estimate* your measurements for eyewear. The methods described, including the measurement of Pupillary Distance (PD) and the interpretation of frame sizes, are for convenience and estimation only.

### **2. Not Medical or Professional Advice**

**This Guide is not a substitute for a professional eye examination or a fitting by a qualified optometrist or optician.** The accuracy of at-home measurements can vary significantly based on the method, tools, and individual user. We always recommend a professional fitting to ensure a perfect fit, correct lens alignment, and optimal visual health.

### **3. No Guarantee or Warranty**

Clarity Vision Solutions makes no representations, guarantees, or warranties regarding the accuracy, reliability, or completeness of the measurements obtained using this Guide. You use this Guide at your own risk.

### **4. Limitation of Liability**

Clarity Vision Solutions is not responsible for, and expressly disclaims all liability for, any issues arising from the use of this Guide. This includes, but is not limited to:

- Any inaccuracies in your self-measurement (PD, frame size, etc.).
- Eyewear purchased based on these measurements that does not fit correctly, causes discomfort, or results in eye strain.
- Any decisions made or actions taken in reliance on the information provided in this Guide.

By using this Guide, you agree that Clarity Vision Solutions shall not be liable for any direct, indirect, consequential, or incidental damages resulting from your use of the information contained herein.

### **5. Intellectual Property**

This Guide and its contents, including all text, graphics, and images, are the property of Clarity Vision Solutions and are protected by copyright and other intellectual property laws. This Guide is provided for your personal
